

Summer Quarter

Service Hours will be 11:15am - 1:00pm
Tuesday, Wednesday and Thursday

Service Begins on July 6 and ends with a spectacular,
over the top display on a Monday, August 15
(please note this is the only Monday the dining room is open)

Our Summer Menus will feature “small-plate” cuisine. You will be able to sample prepared-to-order salads, sandwiches, farm salads, street food, entrées, pâtés, and a variety of ice-creams and desserts. The menu will change daily with freshly prepared offerings.

Tickets are available for \$.75 each, and can be redeemed for any small plates you desire. Prices will range from \$1.50 to \$6.00 per plate.

On Mondays our students will be going to Skagit Valley for a hands-on farming experience. They will work growing produce to serve at the school during the week. This part of our curriculum enhances our mission of teaching and practicing sustainability.

We are happy to announce that we will be accepting credit/debit cards electronically this summer.
